FARM

REGISTERED  
SHORTHORN  
DISPERSAL

FEBRUARY  
22, 1958

MOWEAQUA, ILLINOIS

## *Foreword*

It is with deep regret that I have to announce to you the dispersion of these two fine South Central Illinois Shorthorn herds. I have known these two herds for many years and I can truthfully say they are two of the really good producing herds in this area.

Orlando Bohlen and Edgar Wise have put much time and effort into the development of their herds. You will find these cattle in ordinary farm condition, the way you and I have our own cattle. They have not been pampered. You will find by checking the catalog that these are all regular producers.

Edgar Wise has shown his cattle very successfully on the county fair circuit. Orlando Bohlen and his family have also shown at the county fairs and at the State Fair.

We invite you to attend this sale and buy some of these money-making cattle.

Tom Reedy  
Sale Manager  
Lovington, Illinois

WILL BE LOOKING FOR YOU

## *General Information*

TIME: Saturday, February 22, 1958. Sale to begin at 12:30

C.S.T.

LOCATION: The sale will be held at the M. O. Bohlen farm,  
4 miles east and 1 1/2 north of Moweaqua.

LUNCH SERVED ON GROUNDS.

TERMS: The terms of the sale are cash unless other arrangements are made with either M. O. Bohlen or Edgar Wise prior to sale time. Buyers who are not known by the sale manager will bring bank reference. Settlements are to be made at the conclusion of the auction. All cattle will be at buyers risk as soon as bid off, but help will be available to assist with loading as per buyers instructions.

MAIL BIDS: Those wishing to buy at this sale, who cannot be present may send or phone their bids to the Shorthorn World, to M. O. Bohlen, Edgar Wise or to the auctioneers, H. P. Miller, Danvers, Illinois; Larry Roger, Taylorville, Illinois; Tom Reedy, Lovington, Illinois.

## STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

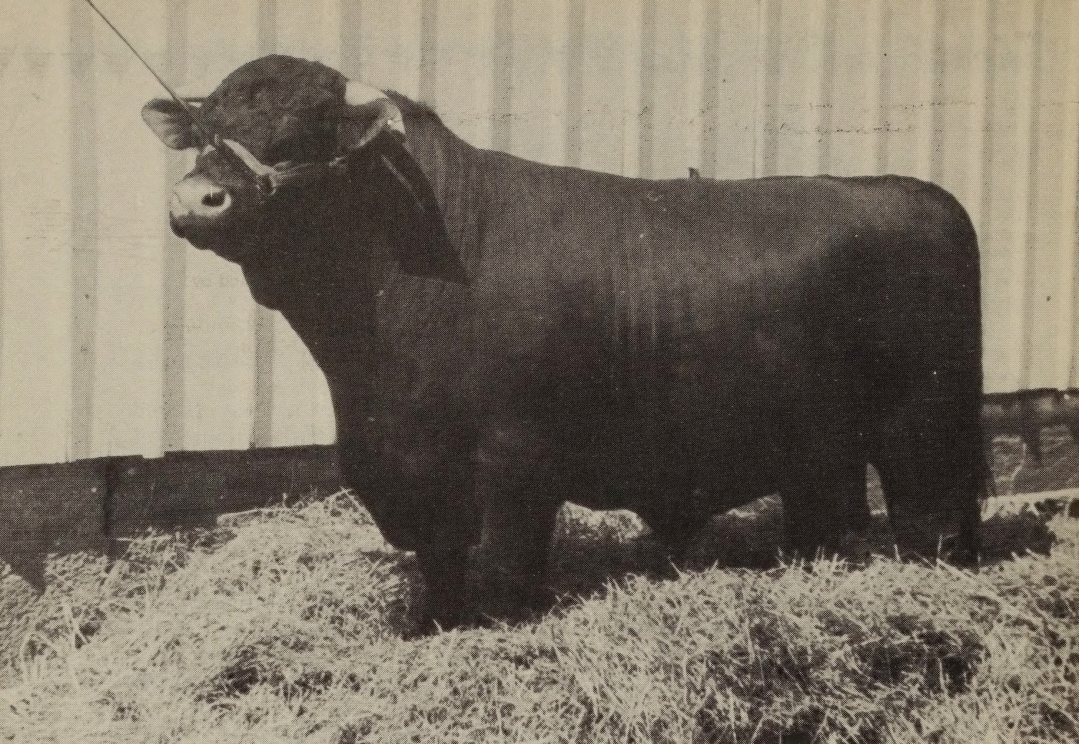

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
